Answer the questions about previous tests.

QUESTION 1 OF 2

Have you already taken the SAT, PSAT/NMSQT®, or PSAT 10?

If so, we can start by practicing what you missed on your test.

If not, no worries! Our diagnostic quizzes and practice tests will figure out what you should practice first.

A Yes, I have taken the SAT, PSAT/NMSQT®, OR PSAT 10.

B No, I haven't taken any of these tests yet.

3

PICK **A** FOR QUESTION 2! This will LINK your accounts!

QUESTION 2 OF 2

If you don't already have a CollegeBoard.org account, now is a great time to sign in and create one!

After you take our real test, they'll send us your results so you can practice what you missed.

A Sign in to CollegeBoard.org and connect my account to Khan Academy.

B I'll sign in to CollegeBoard.org later.

4

Verify your College Board Account. (If using a 1:1 Device, you can SAVE your log-in info.)

Security Check. Verify Password.

As an extra level of security please re-enter password below or sign out and sign back in with the correct username.

ALLOW Khan Academy to share activity with College Board.

Allow Khan Academy to share your activity with College Board

By pressing "Allow", you agree that Khan Academy may share your activity with College Board. After removing your personal details, they may share it with:

- your school district
- your state's department of education

5

SEND permission for your accounts to link.

Request for Approval

Khan Academy is requesting permission for the following:

Press "Send" below to give College Board permission to send your test results and upcoming test date to Khan Academy so that Khan Academy can personalize your practice recommendations. College Board may share that you have linked accounts with your school, district, or state education agency so that they can support your learning. You can remove permission at any time.

7

SHARE with your teacher. (Called your "coach").

Share your SAT practice activity with your coach

Your coach, edesposi, would like you to share your SAT practice activity with them.

They will see:

- Your practice test scores
- Your upcoming test date and your practice schedule
- The time you spend, the questions you answer, and your skill levels
- Whether your Khan Academy account is connected to College Board

They will NOT see:

- Your real SAT or PSAT/NMSQT® scores

You can turn off sharing with your coach at any time.

A screenshot of the Khan Academy SAT Practice interface. The top section is blue and contains a calendar icon with the number 25, a clock, and a checkmark. To the right, it says "WELCOME TO OFFICIAL SAT PRACTICE" and "Choose your practice schedule". Below this is a button that says "Choose your practice schedule". A red arrow points from the button to a white box below. The white box contains the text "You are connected to CollegeBoard.org" and "When you receive your real test results, we'll read them in and personalize your practice recommendations to focus on what you missed." To the right of this box is another white box with the text "Test scores" and a link "View Full Tests". Below this is another white box with the text "Your test scores will appear here once you complete your first practice test or import a real exam from CollegeBoard.org."
