- You MUST activate your SCOIR account in order to request letters of recommendations

***CommonApp is used for students to APPLY (not SCOIR)**

STUDENTS MUST:

1. Place their schools into the applying column
2. Upload their counselor recommendation survey/brag sheet into My Drive in SCOIR.

STUDENTS DO NOT:

Invite teachers and counselors via common application, etc.

INVITE YOUR TEACHERS VIA SCOIR

What to do if a student already invited a teacher or counselor via common app?

Students can go back in "manage recommenders" in common app and remove teacher/counselor emails.
